#### 4. DESCRIPTION OF UNITS

A. The Condominium shall consist of 128 residential Units, together with one car attached garages, all contained in nine buildings. Each Unit has a numeric designation. The existing physical boundaries of a Unit or common elements constructed or reconstructed in substantial conformity with the condominium plat shall be conclusively presumed to be the boundaries of the Unit, regardless of the shifting, settlement or lateral movement of the building and regardless of minor variations between the physical boundaries described in this Declaration or shown on the condominium plat and the existing physical boundaries of any such Unit or common element.

E. The Garage Units shall only be offered for sale or lease by the Declarant to the Unit Owners. The exterior of the Garage Units shall be repaired and maintained by and at the expense of the Association.

## 8. UNIT VALUE: COMMON ELEMENT OWNERSHIP AND VOTING

Each Unit and its owner shall have a 1/128th undivided interest in common with all other Units and Unit owners in the common and limited common elements, and shall have one vote in matters relating to the Association. The Garage Unit owners shall not have a vote in matters relating to the Association. The Association shall assess and each Garage Unit owner shall pay 1/60<sup>th</sup> of the real estate taxes and cost of insurance for the Garage Unit buildings. The Declarant recognizes that there may be minor variances in the Units which relate to value, however, after consideration of the factors relevant to maintenance, replacement and value, the Declarant believes that the foregoing formula of ownership and voting is fair and equitable as well as the most efficient for purpose of administration.

## 9. USE OF UNITS

A. All Units are intended for and shall be restricted to use by the owner, the owner's family, lessees, invitees and frequenters, for residential purposes only, and any

other uses permitted in the single family residential zoning district. The buildings containing the Units are intended for and restricted to use for residential purposes only.

B. The attached one car garage spaces which are included as part of the Units, and the Garage Units are intended for and shall be restricted to the use by the owner, the owner's family, and lessees of Units at the Condominium for storage of personal property and parking of private automobiles. Garages and the Garage Units may not be used for any commercial purpose. Use of the garages may be further regulated by the rules and regulations and bylaws ("Bylaws") of the Association.

C. Notwithstanding the foregoing, the Declarant shall have the rights with respect to Unit and garage use reserved to Declarant in Section 12(B) of this Declaration.

#### **10. SERVICE OF PROCESS**

The resident agent for the Condominium shall be Scott E. Simon. Service of process shall be made upon the registered agent at 18650 Corporate Drive, Suite 305, Brookfield, Wisconsin 53045, as to matters provided for in the Act until all Units have been sold, conveyed and paid for or until the first meeting of the Unit owners, at which time the Association may designate a successor by vote of a simple majority of a quorum present at any meeting of the Association.

#### **11. DAMAGE OR DESTRUCTION**

In the event the Condominium is destroyed or damaged in an amount in excess of \$10,000.00 and insurance proceeds together with an amount not exceeding \$10,000.00 are insufficient to complete repair and construction, action by the Association by a vote of a majority of Unit Owners, as defined in the Bylaws, taken within 90 days after the damage or destruction, shall be necessary to determine to repair or reconstruct the Condominium as more fully described in the Bylaws. Damage or destruction to a lesser extent, and to a greater extent if insurance proceeds (together with an amount not exceeding \$10,000.00) are sufficient to complete repair and reconstruction, shall be repaired and reconstructed pursuant to arrangement by the Board of Directors of the Association ("Board of Directors") as provided in that section of the Bylaws.

#### **12. FURTHER MATTERS**

A. All present and future Owners of Units, tenants of those Owners and any other occupants of Units, employees of Owners, or any other persons who in any manner use or come upon the Condominium or any part of the Condominium shall be subject to and shall comply with the provisions of this Declaration, the Articles of Incorporation of the Association ("Articles") and the Bylaws and rules and regulations adopted pursuant to those instruments, as those instruments may be amended from time to time. The

acceptance of a deed or conveyance, or the entering into of a lease, or the entering into occupancy of any part of any Unit shall constitute an acceptance by the Owner, tenant or occupant of the provisions of those instruments, as they may be amended from time to time. The provisions contained in the instruments shall be covenants running with the land and shall bind any person having at any time any interest or estate in the Unit, as though the provisions were recited and fully stipulated in each deed, conveyance or lease. The enforcement may be by such judicial proceedings as the Board of Directors may deem appropriate as well as by provisions of the Act.

B. The Declarant reserves the right for a period of 10 years from the date of this Declaration to cause one or more of the Units or garage spaces within any Unit it owns, and the Sales Center Office to be maintained as a model and office and to display any models and the common elements of the Condominium for purposes of selling Units in the Condominium or in other projects of the Declarant, together with appropriate signage located in the common elements identifying the Declarant and its agents and locating and giving any information regarding any model and the office.

C. Rules and regulations (in addition to the Bylaws) concerning the use of the Units and the common and limited common elements, including provisions limiting keeping of animals and other pets, may be established and amended by the Board of Directors. Copies of these rules and regulations shall be furnished by the Board of Directors to each Unit Owner prior to the effective date of the rules and regulations.

D. The Declarant hereby reserves for the Association acting by and in the discretion of its Board of Directors, the right to grant to the Village of Pleasant Prairie, Wisconsin, or public or semi-public utility companies, easements and rights-of-way for the erection, construction and maintenance of all poles, wires, pipes and conduits for the transmission of electricity, gas, water, telephone and for other purposes; for sewer, storm water drains, gas mains, water pipes and mains, and similar service, and for performing any public or quasi-public utility function that the Board of Directors may deem fit and proper for the improvement and benefit of the Condominium. These easements and rights-of-way shall be confined, so far as possible, in underground pipes or conduits, with the necessary rights of ingress and egress and the rights to do whatever may be necessary to carry out the purposes for which this easement is created.

E. Any controversy or claim arising out of or relating to this Declaration, or the breach thereof, shall be resolved by arbitration in accordance with the rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator may be entered in any Court having jurisdiction.

### 13. AMENDMENT OF DECLARATION

This Declaration may be amended with the written consent of at least 67% of the

Unit Owners and the Village of Pleasant Prairie. A Unit Owner's written consent is not effective unless it is approved by the mortgagee or land contract vendor of the Unit, if any.

#### 14. ADDITIONAL RIGHTS OF LENDERS

A. As to the holder of any mortgage and as to any land contract vendor ("mortgagee") of a Unit which has notified the Association in writing delivered or mailed by certified mail to the place of service of process stated in Section 10 of this Declaration that it desires to receive notice of the following matters:

(1) The Board of Directors shall give the lender written notice by mail of the call of any meeting of the Board of Directors or membership of the Association to be held for the purpose of considering any proposed amendment to this Declaration, the Articles or the Bylaws;

(2) The Board of Directors shall give the lender by mail a copy of the notice of default which is given to any Unit owner on any failure to comply with or violation of any of the provisions of this Declaration, the Articles or the Bylaws and rules and regulations, at the time of notice to any Unit owner; and

(3) The Board of Directors shall notify the lender of physical damage to structures, fixtures or equipment of a Unit in an amount exceeding \$2,500.00 when such damage is known to the Board of Directors and shall notify all lenders if common elements of the Condominium are damaged in an amount exceeding \$10,000.00 or if the common elements become the subject of condemnation or eminent domain proceedings.

B. Unless all affected lenders have given their prior written approval, the Association shall not:

(1) Change the undivided percentage interest in the common elements of the Condominium relating to the Unit;

(2) Partition or subdivide any Unit or abandon, partition, subdivide, encumber, or convey the common elements of the Condominium (granting of easements for public utilities excepted);

(4) Use hazard insurance proceeds for losses to the Condominium property for other than the repair of the property, except as authorized by law.

C. A lender who comes into possession of a Unit pursuant to the remedies provided in the mortgage or land contract, a foreclosure of the mortgage or land contract, or a deed (or assignment) in lieu of foreclosure, shall take the Unit free of any claims for unpaid assessments or charges in favor of the Association against the Unit which accrued prior to the time the lender came into possession of the Unit.

D. Notwithstanding Section 13 of this Declaration, this Section 14 shall not be amended unless all lenders have given their prior written approval.

#### 15. PAYMENT OF COMMON EXPENSES

During the period in which the Declarant shall have control of the Association, each Unit Owner, other than the Declarant, shall pay a fractional share of the common expenses represented by the number "1" divided by the total number of Units included in the Condominium and the Declarant shall pay the balance of the common expenses. The common expenses shall include the cost of maintenance, repair and replacement of all Common Elements, including, without limitation, the Common Elements described in Paragraph 5 above. At such time as the Unit Owners shall take control of the Association, each Unit Owner, including the Declarant for tenant occupied Units owned by the Declarant, shall pay a fractional share of the common expenses represented by the number "1" divided by the total number of Units for which occupancy permits have been issued and which have been at any time occupied by anyone other than the Declarant. At such time as occupancy permits have been issued for all Units in the Condominium, the Owner of each Unit, including the Declarant for tenant occupied Units owned by the Declarant, shall pay a fractional percentage of the common expenses represented by the number "1" divided by the total number of Units included in the Condominium. Notwithstanding the foregoing, at no time shall the Declarant be liable for common expenses for any Unit which has never been occupied by anyone other than the Declarant. For purposes of the calculations defined in this Section 15, the term "Unit" shall not include any Unit which has not been included within the Condominium by this Declaration or any amendment hereto. Each Unit Owner shall pay common expenses on a monthly basis as required by the Bylaws. The Association shall assess and each Garage Unit owner shall pay 1/60<sup>th</sup> of the real estate taxes and cost of insurance for the Garage Unit buildings.
